WINDWARD EAST

A prestigious year-round residential community conveniently located in the quaint north side village of East Dennis, Windward East offers comfortably spaced one acre wooded home sites just minutes from beautiful bay beaches, harbor, and golf courses. Protective covenants ensure that new homes are designed and constructed to be compatible with the traditional Cape and New England-style homes that already exist in Windward. These covenants help to keep Windward East a community of exceptional quality and high standards, while protecting property values. Thirteen select home sites are available in the community of Windward East.

EAST DENNIS...

THE HEART OF CAPE COD

The village of East Dennis has maintained its quiet, rural country charm that adds to our quality of life here on Cape Cod. Ideally situated between the two active centers of the Cape, Hyannis to the west, and Orleans to the east, East Dennis can boast one of the finest beaches on the Northside, a protected deep water harbor, and two spectacular 18-hole community golf courses. For those who like to visit the Big City, Boston is only 1 hour and 20 minutes away.

WE INVITE YOU TO VISIT Windward East and find out for yourself how lovely life on Cape Cod can be. For more information, or a guided tour of Windward East, please call McPhee Associates for an appointment.

WINDWARD

Windward East is the next generation of McPhee Associates' highly successful Windward residential community, a 53-lot subdivision which began development in the early 1980s. Windward features fine homes aesthetically situated to assure a true Cape Cod lifestyle and year-round community.
