

BOSCH

Invented for life

Refrigeration, **reinvented.**

The coolest advancements
in freshness, ice, and more.

Bosch.
Designed for quality.
Invented for life.

Quality that goes beyond material. The new Bosch refrigerators are designed to make your life easier, more plentiful, and ever fresh.

B36CL80SNS

A close-up, vertical photograph of a stainless steel refrigerator door. The image shows the top-left corner where the door meets the frame. A silver handle is visible at the top, with the Bosch logo and the word "BOSCH" printed on it. The lighting is soft, highlighting the metallic texture and the sharp lines of the door's design.

Beauty is in the details.

Bosch counter-depth refrigerators feature a sleek, stainless steel exterior and an equally stunning interior that spares no detail. Enjoy a best-in-class freshness system. Bountiful fresh filtered ice, replenished fast. And a refreshment center that doubles as a built-in wine cellar. Form and function, evolved.

B36CT80SNS

**QuickIcePro
System™**

Makes up to 12 lbs. of
ice per day,** for up to
40 glasses.***

QuickIcePro System™

Available on select 500 Series models

B36CD50SNS

B36CD50SNB

Introducing the industry's fastest refrigerator ice maker.*

Enjoy freshly filtered ice, replenished fast. Now, say farewell to frequent ice runs to the store.

*Based on single ice maker production rates during a 24-hour period, measured per IEC standard and manufacturer user's manuals, for brands identified in US and Canada TraQline as freestanding French door bottom mount refrigerators.

**Based on single ice maker production rates during a 24-hour period, measured per IEC standards, when the ice bin was removed. Results may vary depending on operating conditions.

***Based on filling 8 oz. glasses.

QuickIcePro System™

The innovative QuickIcePro System™ combines three technologies to produce fresh filtered ice in your refrigerator—fast.

*Based on single ice maker production rates during a 24-hour period, measured per IEC standards, when the ice bin was removed. Results may vary depending on operating conditions. Based on filling 8 oz. glasses.

**Based on single ice maker production rates during a 24-hour period, measured per IEC standard and manufacturer user's manuals, for brands identified in US and Canada TraQline as freestanding French door bottom mount refrigerators.

up to
40
glasses of ice
daily*

Industry's fastest refrigerator ice maker**

The QuickIcePro System™ offers rapid ice replenishment, making up to 12 lbs. of ice per day, for up to 40 glasses.*

reduces
>99.9%
of sediments

Fresh filtered water with UltraClarityPro™

The UltraClarityPro™ water filter reduces >99.9% of sediments that may be found in your water and ice, including harsh elements like chlorine and chloramine.

hands-free
filling

Hands-free with BottleFill

Fill your favorite glass or bottle hands-free using Bosch's advanced BottleFill technology.

FarmFresh System™

Available on select 800 Series models

B36CT80SNS

B36CT80SNB

B36CT81SNS

B36CL80SNS

B36CL80ENS

Fresh by Design™

Minimize food waste with fresh foods in view and within reach. A best-in-class freshness system and innovative features keep your food fresh up to 3x longer.*

That's Fresh by Design™. In every way.

*As compared to a Bosch refrigerator without FarmFresh System™. Results may vary among different foods.

FarmFresh System™

by Bosch

B36CT80SNS

Preserve the foods you love up to 3x longer.*

The revolutionary FarmFresh System™ features four innovative freshness technologies that keep your food fresh up to 3x longer.* Enjoy less food waste, and more thoughtful design.

*As compared to a Bosch refrigerator without FarmFresh System™. Results may vary among different foods.

1. Preservation.

VitaFreshPro™

An industry first, VitaFreshPro™ automatically balances BOTH temperature and humidity levels based on the food setting. From produce to meats to cheeses, pre-programmed settings calibrate the optimal environment, removing the guesswork from food storage.

*Individual results vary depending on type, initial freshness and proper storage and use of food.

2. Protection.

FreshProtect™

FreshProtect™ filter absorbs naturally occurring ethylene to slow ripening in produce sensitive to these gases. Designed to help fruits and vegetables like strawberries, apples, asparagus, and lettuce stay fresher, longer.

3. Fresh.

AirFresh® filter™

Keep your refrigerator and freezer air fresh, all while absorbing even the toughest food odors. Never worry about a replacement—the AirFresh® filter is built to last the lifetime of your refrigerator.

4. Consistency.

MultiAirFlow™

With MultiAirFlow™, evenly circulate cool, fresh air to maintain consistent temperatures throughout the entire fridge cavity, from door bins to back corners.

Refreshment Center™

Available on select 800 Series models

B36CL81ENG

Like a wine cellar in your refrigerator.

The new Bosch counter-depth refrigerator, featuring the Refreshment Center™, puts your favorite beverages on beautiful display. Entertain friends and family, or keep everyday refreshments on hand and at the ready.

Refreshments in view and in reach.

The new Bosch Refreshment Center™ refrigerator features an easy-to-view, easy-to-reach glass display drawer. Pre-programmed settings take the guesswork out of finding the optimal temperature—from craft beer and wines, to champagne, juice, and other beverages.

Your personal wine cellar.

Sleek display drawer made of tempered glass holds up to an impressive 17 standard wine bottles, all with the perfect temperature and humidity. Or, remove the top shelf to make room for up to 6 magnum bottles.

From water to juices to seltzer.

Stay organized and free up refrigerator space by storing all your drinks—up to 35 standard beverage cans, in fact—in one easy-to-access drawer.

Thoughtful Features

Features
designed to
make life a
little more
chill.

From organization to water filtration, Bosch counter-depth refrigerators also offer a host of other innovative features that help make everyday life a little easier.

800 Series Features

Choose between the **FarmFresh System™** or **Refreshment Center™**.

FarmFresh System™

B36CL80ENS

B36CL80SNS

B36CT81SNS

B36CT80SNS

B36CT80SNB

Refreshment Center™

B36CL81ENG

Plus, enjoy these additional features available on all 800 series models.

FlexBar™

FlexBar™ creates extra space in your refrigerator and is completely adaptable to you and your needs. Move the bar up or down. Adjust accessories anywhere along the bar. Add or remove accessories for your ideal configuration, and enjoy your new home for wine bottles, condiment jars, and more.

UltraClarityPro™ water filter

This industry-leading water filter removes an astonishing >99.9% of sediments, including harsh elements like chlorine and chloramine.

Filtered internal water

Beautifully hidden inside, the dual-dispensing interior water dispenser lets you enjoy pure, fresh water with the touch of a button or tap of your glass or bottle.

Filtered pyramid ice

Enjoy beautiful, pyramid-shaped ice right from your freezer. Store in the ice bin or remove completely for a full drawer of ice storage.

Organized 3-tiered freezer drawers

An ingenious three-tiered freezer drawer system creates extra storage for frozen items, from pizza boxes to frozen waffles.

Wide gallon door bins

Featured on both sets of doors, our wide gallon door bins easily accommodate two large, side-by-side gallon containers each.

Easy to clean

Keep your kitchen looking beautiful with an easy-to-clean stainless steel exterior. Simply wipe with a damp cloth, no stainless steel cleaner necessary.

Sleek glass shelves

The interior shelves are designed with glass and metal. Split shelves are easily adjustable to accommodate your grocery needs.

Guards against scratches

Daringly different, Bosch black stainless steel helps guard against scratches and fingerprints.

LED lighting

Experience crisp, beautiful LED illumination from corner to corner.

True counter depth

Sits flush with the countertop, with hidden hinges and discreet, tucked away feet. Sleek, freestanding refrigerators effortlessly look and feel built-in.

Dual compressors

Dual compressors and dual evaporators offer efficient and precise cooling and humidity control, while significantly limiting odor transfer between the refrigerator and freezer, creating the optimal freshness environment.

Stainless steel back wall

The sleek, internal stainless steel back wall is made from the highest quality materials. Eye-catching and durable, it's a timeless design that's built to last.

ENERGY STAR®

ENERGY STAR® qualified for year round energy efficiency.

500 Series Features

Featuring the **QuickIcePro System™**. The industry's fastest ice maker.*

B36CD50SNS

B36CD50SNB

*Based on single ice maker production rates during a 24-hour period, measured per IEC standard and manufacturer user's manuals, for brands identified in US and Canada TraQline as freestanding French door bottom mount refrigerators.

Additional features available on all 500 series models.

Filtered external ice and water

Exterior water dispenser lets you enjoy pure, fresh water with the touch of a button or tap of your glass or bottle.

UltraClarityPro™ water filter

This industry-leading water filter removes an astonishing >99.9% of sediments, including harsh elements like chlorine and chloramine.

BottleFill

Fill your favorite glass or bottle hands-free using Bosch's advanced BottleFill technology.

Filtered crescent ice

Enjoy beautiful, crescent-shaped ice right from your freezer. Store in the ice bin or remove completely for a full drawer of ice storage.

Organized 2-tiered freezer drawers

A convenient two-tiered freezer drawer system creates extra storage while helping to keep frozen foods more organized.

Wide gallon door bins

Featured on both sets of doors, our wide gallon door bins easily accommodate two large, side-by-side gallon containers each.

Easy to clean

Keep your kitchen looking beautiful with an easy-to-clean stainless steel exterior. Simply wipe with a damp cloth, no stainless steel cleaner necessary.

Sleek glass shelves

The interior shelves are designed with glass and metal. Split shelves are easily adjustable to accommodate your grocery needs.

Guards against scratches

Daringly different, Bosch black stainless steel helps guard against scratches and fingerprints.

LED lighting

Experience crisp, beautiful LED illumination from corner to corner.

True counter depth

Sits flush with the countertop, with hidden hinges and discreet, tucked away feet. Sleek, freestanding refrigerators effortlessly look and feel built-in.

Stainless steel back wall

The sleek, internal stainless steel back wall is made from the highest quality materials. Eye-catching and durable, it's a timeless design that's built to last.

VitaFreshPlus

Lets you adjust the humidity levels in each bin to keep foods fresh for longer.

AirFresh® Filter

This lifetime filter keeps your refrigerator and freezer air fresh while absorbing stubborn food odors.

MultiAirFlow™

MultiAirFlow™ helps evenly circulate cool fresh air, regulating optimal temperatures throughout the fridge cavity.

ENERGY STAR®

ENERGY STAR® qualified for year round energy efficiency.

Savor the versatility and beauty of a Bosch kitchen.

Bosch refrigerators are just part of a full suite of available kitchen appliances. From induction cooktops to built-in ovens to ultra-quiet dishwashers, the heart of your home awaits.

Welcome to the connected home.

Part of the smart home, Bosch connected appliances are designed to make your life easier, keeping you in the know when it matters. Home Connect™ allows a variety of Bosch home appliances to be remotely controlled with a single app, for a new level of ease and convenience.

Master your day, in your own way, with Home Connect™.

The Home Connect™ app allows you to remotely monitor and control your Bosch refrigerator from your smartphone or tablet. Control the temperature, adjust lighting, run diagnostics—wherever you are,* for ultimate convenience. Connected refrigerators from Bosch are designed to give you peace of mind, customization, and simplification.

Peace of mind.

Door ajar notification.

Receive a notification on your phone should you accidentally leave your refrigerator door open for an extended time.

Remote diagnostics.

Should you ever encounter a problem, the Bosch customer service team can use remote diagnostics to connect to your refrigerator, helping you find a solution quickly.

Remote temperature control.

Remotely adjust and monitor the temperature of your fridge and freezer—even set it to vacation mode when you're away.

Automatic water filter replacement.

Using Amazon Dash Replenishment, have your next water filter automatically scheduled for delivery when it's time.

Customization.

Temperature customization.

Customize your VitaFreshPro™ drawer to the precise temperature and humidity you need to store your favorite foods, right from your Home Connect™ app.

Lighting.

Easily adjust the brightness level in your refrigerator from your phone.

Simplification.

SuperCool.

When you restock your fridge, opening the door can raise the inside temperature. Rapidly chill your food with SuperCool. Do this before you leave, at the grocery store, or even right as you get back—with the Home Connect™ app.

SuperFreeze®.

Before stocking your freezer with new groceries, set it to SuperFreeze® to help new food freeze even faster. Do this from home—or the grocery store—using the Home Connect™ app.

Meet the family.

Bosch refrigerators come in a range of design styles and finishes, so you're sure to find the perfect match.

The right accessories.

Choose from a range of accessories, depending on your needs.

Water Filter Accessories

- UltraClarityPro™ water filter - comes standard, replacement recommended every 6 months

FlexBar™ Accessories*

- Bottle holder - comes standard
- Shallow shelf - comes standard
- Deep shelf - comes standard

Door Accessories

- Masterpiece handles (3-door only) - available online
- 90-degree door stop - available online

FreshProtect™ Accessories*

- Filter case - comes standard
- Filter sachet - comes standard, replacement recommended every 6 months

*Comes standard only on select models. See matrix for details.

Quality finishes.

Premium materials like classic stainless steel and the exclusive true black stainless steel add to the beauty and longevity of every Bosch refrigerator.

Classic stainless steel.

Sleek and easy to clean, classic stainless steel offers a timeless design that will effortlessly match other appliances in your kitchen.

Black stainless steel.

Daringly different, Bosch black stainless steel helps guard against scratches and fingerprints, while making a bold statement. Pair it with the entire Bosch black stainless steel kitchen suite for a true showstopper.

Glass over stainless steel.

Provides a sleek and premium stainless steel look, combined with the cleanability of glass.
